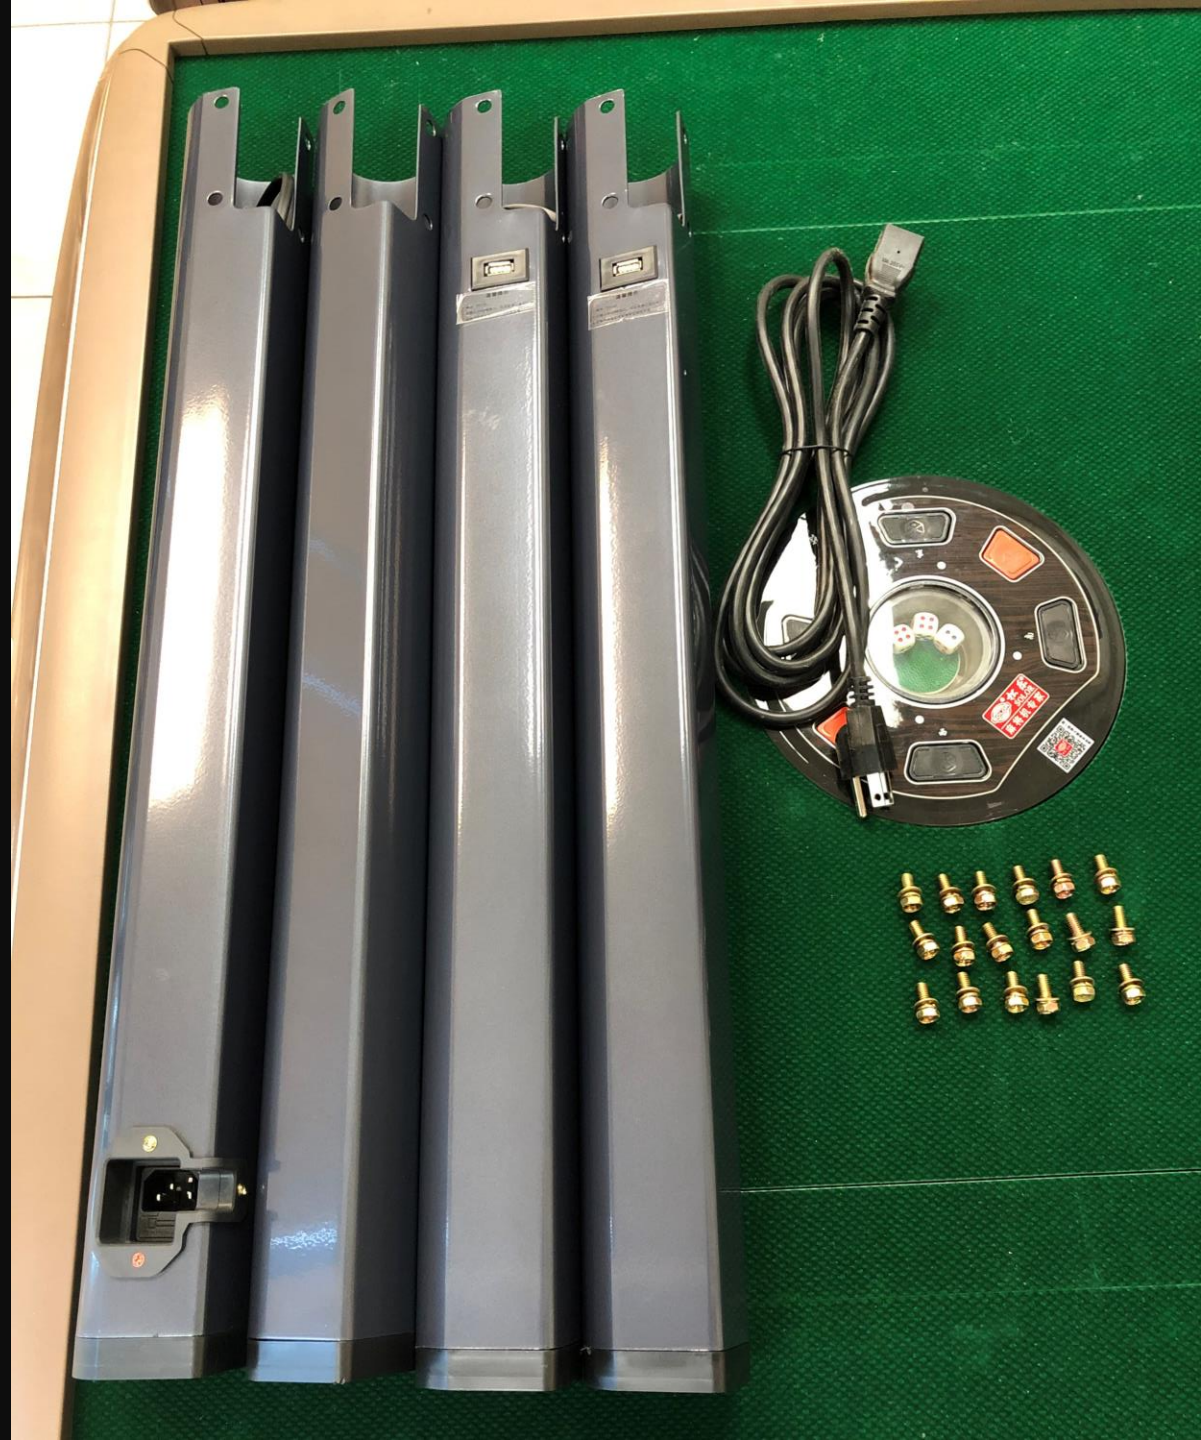
Automatic Mahjong Table Installation Instruction Easy Steps (4 Legs)
第一部分: 四只桌脚安装指导

First, you need to open Box A
首先打開A 箱，將零件取出

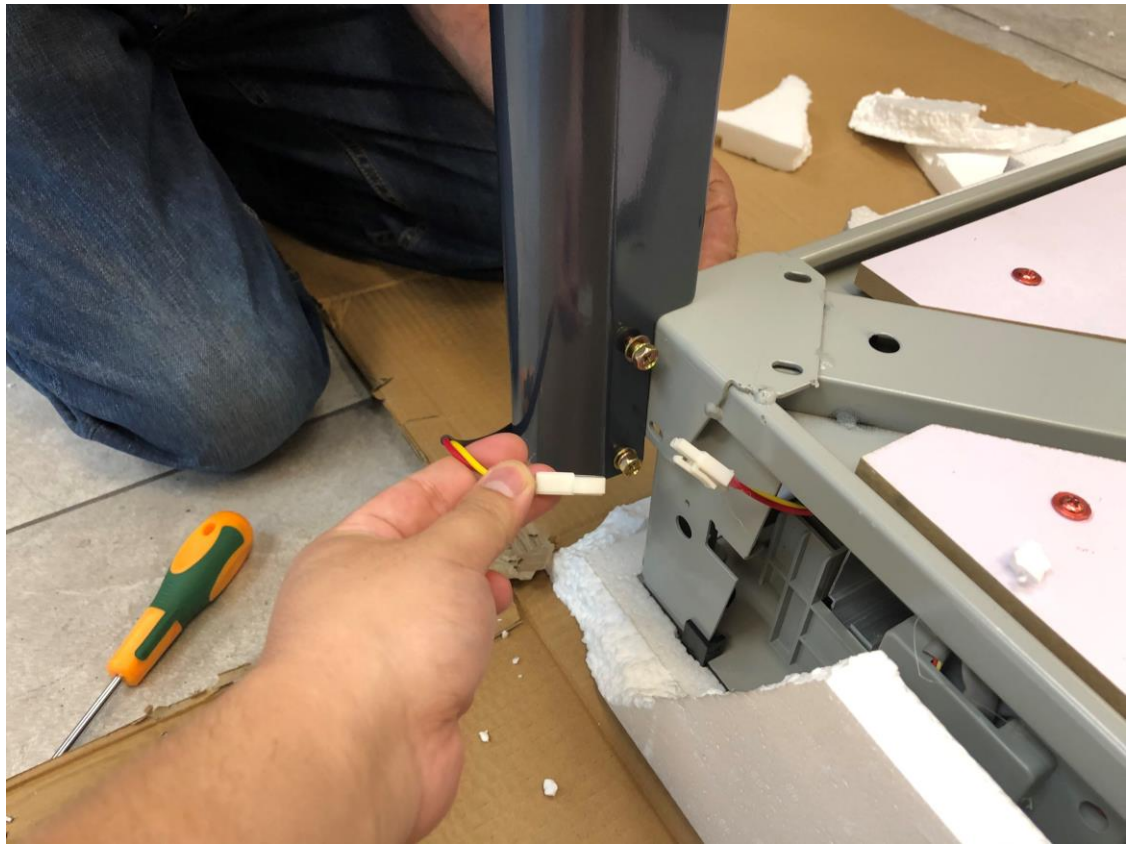
As picture shown, Box A contents these parts. A箱包含圖中的零件

- •4 Legs
- •18 Bronze Screws with large nuts
- •Power Cable



STEP 1
Distinguish 4 legs, one with power cord, two with USB socket

区分4条腿，一条带电源线，两条带USB插座



Step 2 Find the white power connector from the corner of the desktop, corresponding to the table leg with the power connector in the same color, and connect it

从桌面的一角找到白色的电源接口，对应相同颜色带有电源接口的桌腿，并接上

Step4

- After connecting, fix the table legs with 4 brass screws
- 连接上以后，用4个螺丝固定好桌腿

Step 3
Find the black power port from the other two corners of the desktop,
corresponding to the two legs of the same color with USB ports, and connect them

找到其他的两个角落上带有与电源线相同颜色的两条腿相对应的黑色电源端口，然后将它们连接

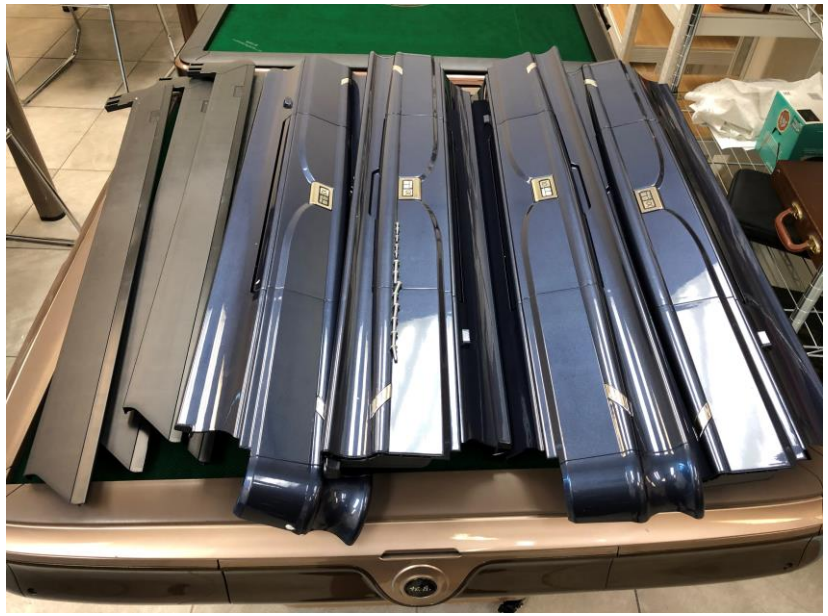
After finishing step 3 ,which means you finish connection between tabletop and legs

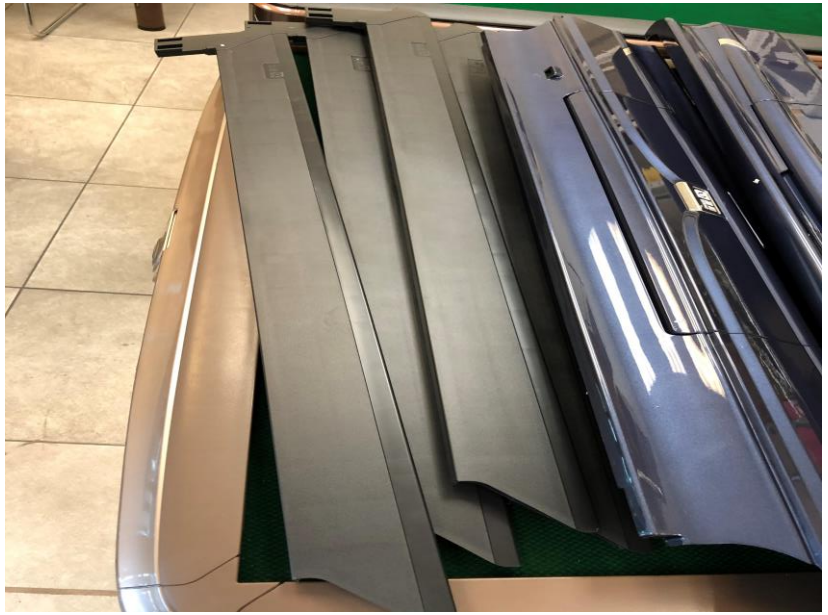
完成步骤3后,就意味着桌面和桌腿已经连接好了

Automatic Mahjong Table Installation Instruction Easy Steps (Install Tabletop Frame)

第二部分:桌面边框的安装指导

Step 1 After taking the table out , you can find these parts as pictures
howninBox B打开B箱,就会看到如图的一些零部件

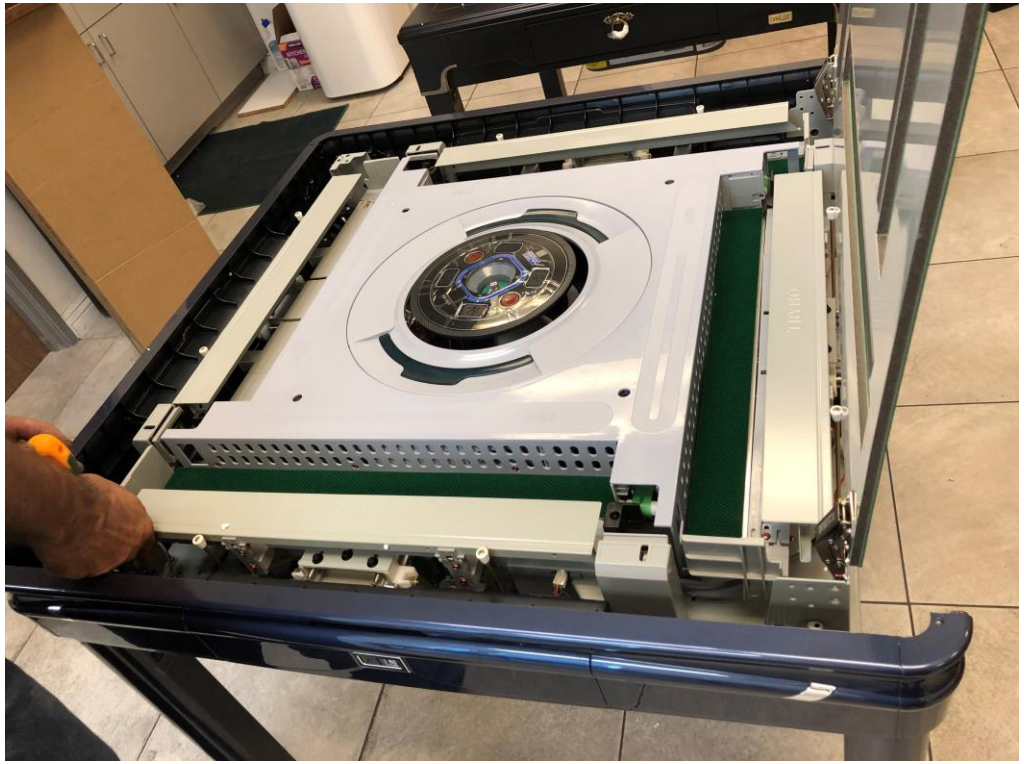


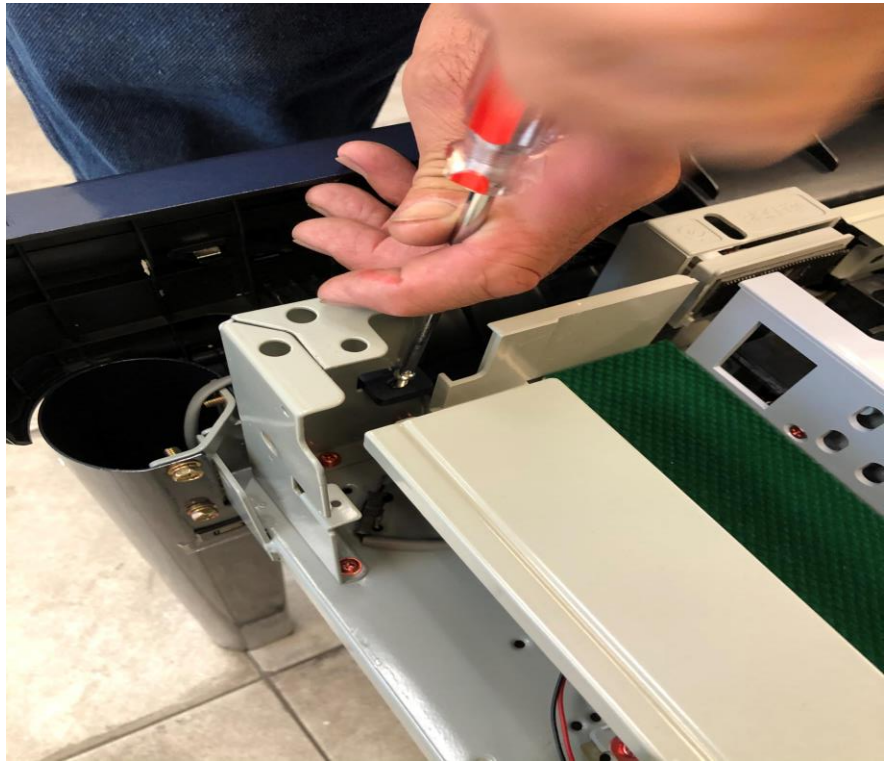


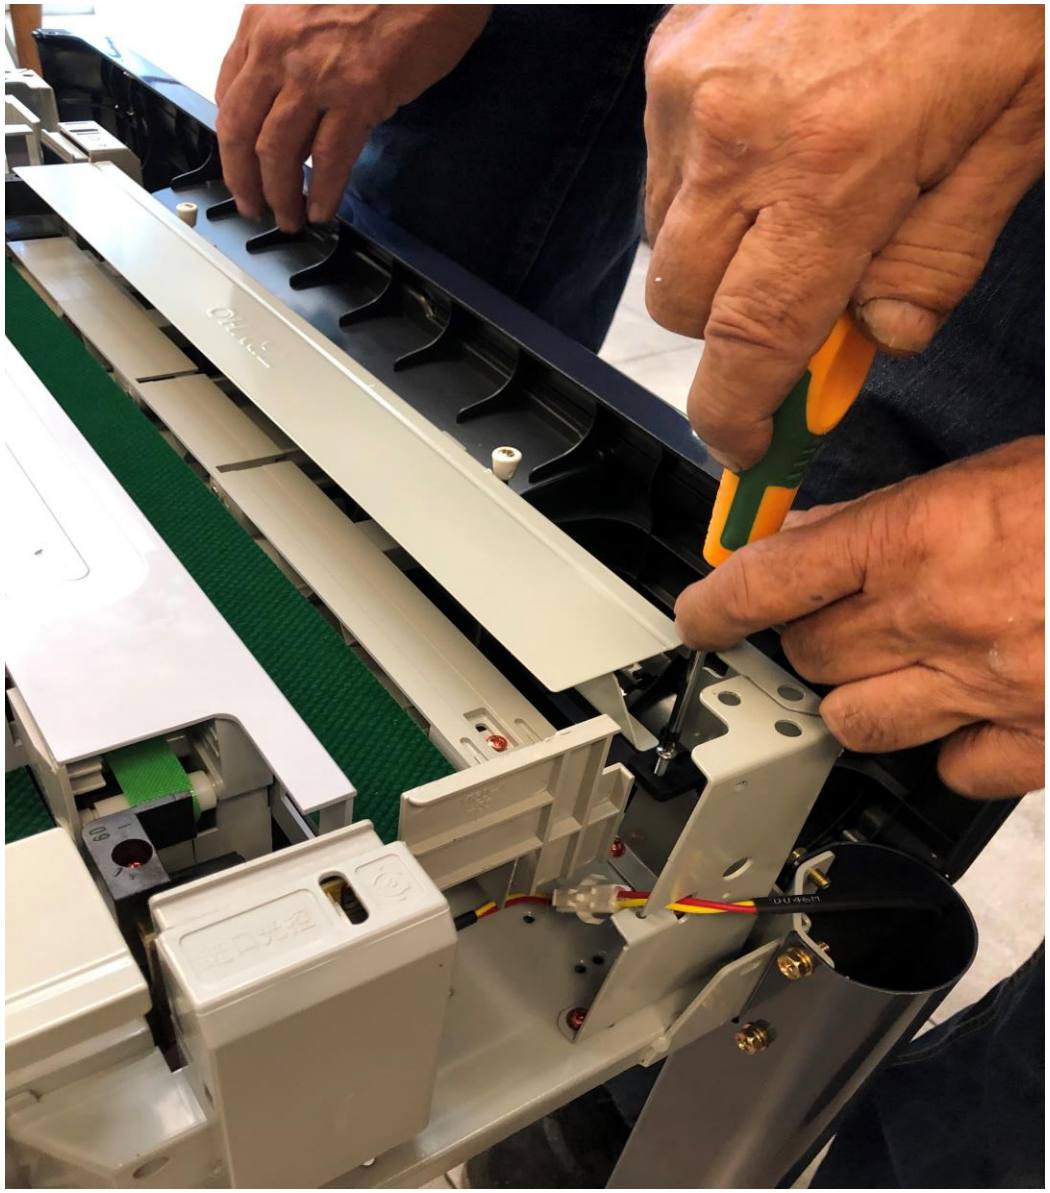
These screws are below:

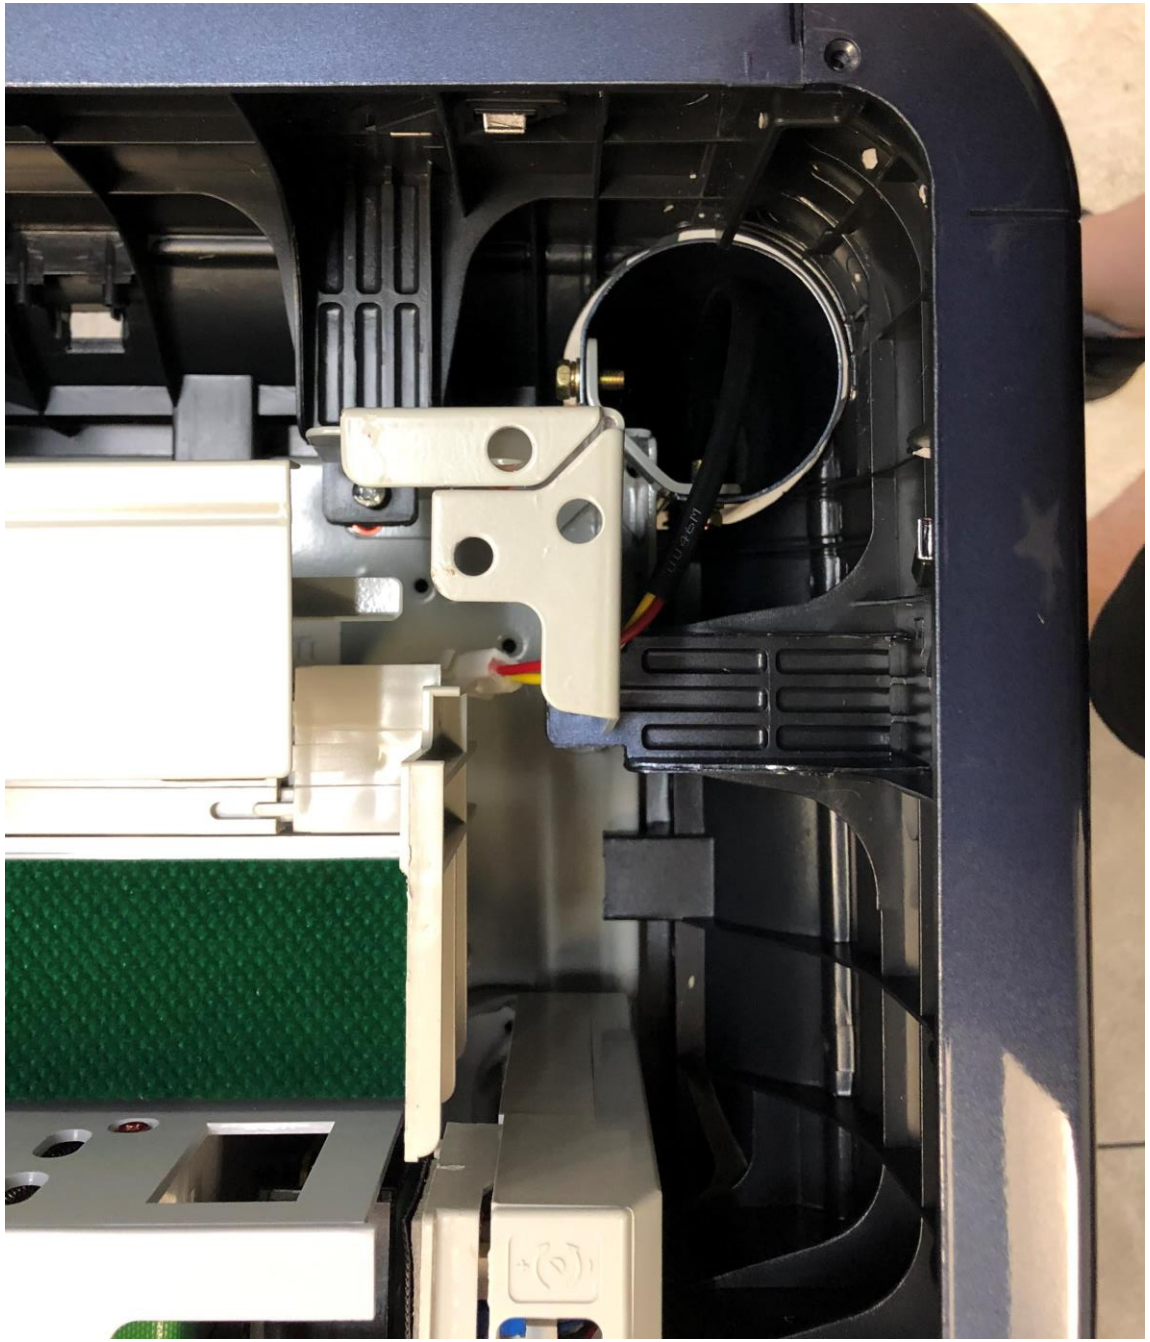
- 8 Long Bronze screws without nuts
- 4 Short brass screws

Install 4 frames and fix them with long screws

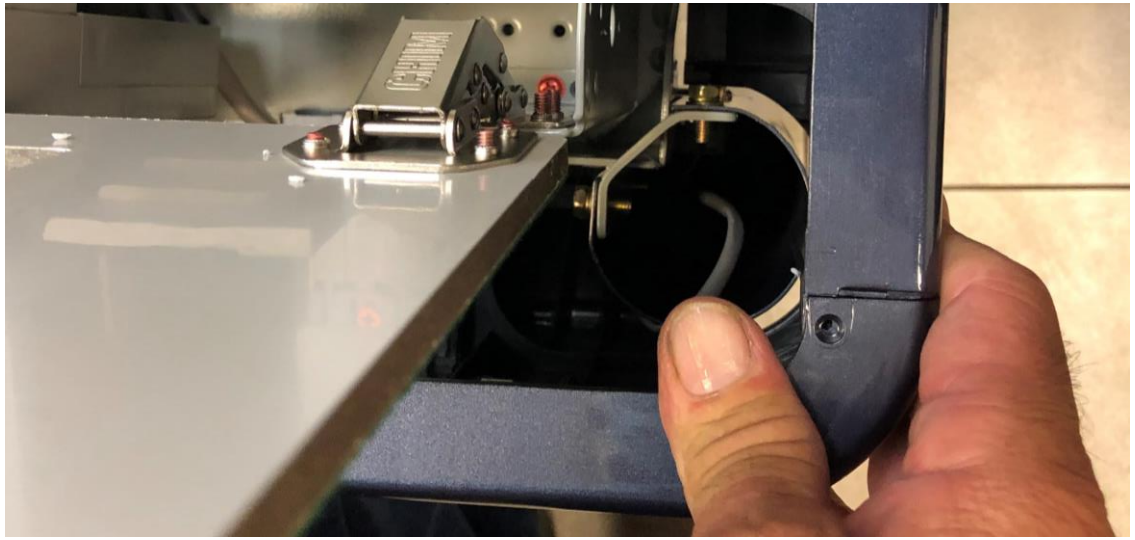








Clamp the connection between the frames tightly



Fix the 4 corners with small screws

Connect the four bumpers

Plug bumper on the desktop

Turn on the power， Installation completed! 安装完成!
