

## MASTERCUT CHRISTMAS CARD

You will need: Blank cards, Mastercut, pencil with an eraser end, lino tool, craft knife, Versacraft Ink Pads.

**Step 1)**  
Draw an image onto a piece of Mastercut.

**Step 5)**  
Place the stamp face down on the card and press down all over with the flat of your hand.

**Step 2)**  
Use a lino tool to carve around the outside of each shape. Carve in any detail.

**Step 6)**  
Repeat with each of your stamps.

**Step 3)**  
Cut around each shape with a craft knife.

**Step 7)**  
Use the eraser end of the pencil to print berries by dabbing it into a red Versacraft ink pad and then onto the card.

**Step 4)**  
Ink up the Mastercut using a Versacraft ink pad.

**Step 8)**  
The finished card!
