Work can be left to dry on our drying racks, to be collected within a week. Any work left on the drying rack and not collected will be placed in the communal drawer. This drawer will be emptied bi-annually and any work left here for too long could be at risk of being destroyed.

Mixed inks can be stored on the designated shelf. Please write your name and the date on your pot. We will periodically check this area and dispose of any ink that has dried up. Ink older than 6 months will be donated across to the 'free for use' shelf.

## Refreshments

Water, tea, coffee, and squash is available to make in our kitchen, free of charge. Please help yourself and remember to clean up any crockery or utensils you may use.

## Cleaning

When you've finished your session, please ensure you clean up any areas you've worked in, and clean any tools you've used. Newspaper, rags, dish soap, sponges and buckets are available for you to use – please use what is appropriate or seek advice if you are unsure. Please do not leave anything in the sink to soak.
