

# Advantage MPC™

## Advantage MPC™

**Advantage MPC™**, is a highly breathable microporous film bonded with a nonwoven fabric. The barrier properties of this material make it the ideal choice for wet and dry situations where barrier and repellency are needed. Advantage MPC™ provides excellent protection against non-toxic liquid, spray, dirt and dust.

Worker comfort is greatly increased because Advantage MPC™ is strong, yet lightweight, and very soft. Perfect for hot environments, workers will remain cool and comfortable.

Advantage MPC™ is treated with an anti-static agent. When a durable, breathable garment is needed, Advantage MPC™ is the ideal choice.

**Applications:** Asbestos Abatement, food processing with chemicals, paint spraying, pesticide spraying, fiberglass handling, lab/biohazards, cleanroom, medical, general cleaning, metal surface treating, pharmaceutical industry, nontoxic liquid handling.
