

Advantage Pro™

Advantage Pro™

Advantage Pro™, is a spunbonded-meltblown-spunbonded fabric that is ideal for many situations where dry particulate barrier and repellency are needed. Advantage Pro™ provides an excellent barrier against water based liquids and is resistant to light chemical splash.

Worker comfort is greatly increased because Advantage Pro™ is lightweight, soft and breathable. It offers improved strength, splash and particulate resistance against many workplace hazards.

Advantage Pro™ is also treated with an anti-static agent. When a durable, comfortable garment is needed, Advantage Pro™ is the ideal choice.

Applications: Nuclear power plants, asbestos, food industry, paint spraying, fiberglass handling, lab/biohazards, cleanroom, medical, general cleaning, metal surface treating, pharmaceutical industry, nontoxic liquid handling.
