Adhesive Rollers

CLEANtack™
Adhesive Rollers

The maintenance of a critical environment requires a variety of consistent quality products to meet your cleaning needs. That is why our **Adhesive Rollers** come invarious textures, sizes, and colors.

CleanRoll Film Rollers are made of thin polyethylene sheets around a 1 ½" core. There are 118 smooth sheets per roll. These rollers are ideal for removing dust particles from smooth surfaces including floors, walls, ceilings, and workstations. Available in blue or white, 3″, 9″ or 18″ lengths.

CleanRoll Foam Rollers are made of non-woven PET fabric sheets around a1 ½" core. There are 57 cushioned sheets per roll. These rollers work well for cleaning textured surfaces. Available in white only in 3″, 9″ and 18″ lengths.

Handles are available in a variety of styles and combinations to customize for your specific use. These sturdy handles are lightweight for comfortable use and can be dis-assembled for easy storage.

Applications: Cleanroom, microelectronics, medical, printing, general maintenance.
