PolyGuard™ Hair Nets

Honeycomb Hairnets are made of flame-retardant 1/8" nylon netting. The soft, comfortable caps are ideal for keeping work areas clean and sanitary. A latex-free elastic band keeps the hair net securely in place without the need for twisting or tying. Available in white, black or brown in 18", 21", or 24" to fit any hairstyle. Packaged 100/polybag, 10 bags/case.

Beard Nets are made of the same nylon netting as our hair nets. Soft, latex-free elastic holds the beard net in place for comfortable extended wear. Packaged 100/polybag, 10 bags/case.

Applications: Food handling/production, industrial manufacturing.
