

# Unsupported Gloves

 **Ivanhoe™**

## Unsupported Gloves

**Canner's Latex** are offered in two thicknesses: 18mil or 20mil. Embossed grip for excellent grip on wet or dry surfaces. Cannery gloves comply with FDA regulations for food contact. 13" Length.

**Flock Lined Latex** are available in yellow, blue, orange, and black in 18, 20, or 30 mil thicknesses. Embossed grip, 13" Length.

**Nitrile** gloves provide an outstanding combination of strength and chemical resistance. When exposed to aromatic and petroleum solvents, as well as caustics and animal fats, are a superior choice over rubber or neoprene. Nitrile gloves won't swell, weaken, or degrade. Available in 11, 15, 18, and 22mil thicknesses, 13" length. Nitrile Gloves comply with FDA regulations for food contact.

**Neoprene over Latex** provides increased protection against a wide range of chemicals. The gloves are 28mil thick, with an embossed grip. Cotton flock lined for increased comfort. 13" Length.

**Neoprene** Neoprene gloves offer broad-spectrum protection, with excellent resistance to a wide range of chemicals, including oils, acids, caustics, and solvents. The gloves are case hardened to increase chemical and abrasion resistance over ordinary neoprene gloves.wear.

### **Applications**

**Canner's Latex:** Poultry, Food Processing, Small Parts Assembly, Pharmaceutical Manufacturing, Janitorial/Plant Maintenance

**Flock Lined Latex:** Canning/Food Processing, Chemical Plants, Janitorial, Automotive Assembly, Plant Maintenance, Agriculture, Petroleum Refineries, Pharmaceutical Manufacturing

**Nitrile:** Chemical Processing, Oil Refining, Petrochemicals, Food Processing (red meat, poultry, vegetables, fruit, dairy, and canning), Aerospace/Automotive Degreasing, Automotive Assembly/Painting, Metal Fabrication, Printing Cleanup, Furniture Manufacturing

**Neoprene over Latex:** Aircraft Assembly, Automotive Manufacturing, Chemical Plants, Pesticide Manufacturing, Plant Maintenance

**Neoprene:** Petrochemicals, Degreasing, Electronics, Refining, Handling Oils, Acids, Caustics, Alcohols, and Solvents

## Latex Canner's Gloves

### Product No. Description

Product No.	Description	Sizes	Qty
GLP0120-18A	Amber, 18mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0120-18B	Blue, 18mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0120-20A	Amber, 20mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case

## Latex Gloves, Lined

### Product No. Description

Product No.	Description	Sizes	Qty
GLP0125-18Y	Yellow, Lined, 18mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0125-18B	Blue, Lined 18mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0125-20Y	Yellow, Lined, 20mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0125-20B	Blue, Lined, 20mil, Straight Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case
GLP0130-28O	Orange, Lined, 28mil, Rolled Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case

## Nitrile Gloves, Lined and Unlined

### Product No. Description

Product No.	Description	Sizes	Qty
GLP0100-15-LN	Green, Lined, 15mil, 13" Length	7, 8, 9, 10, 11	1 dozen/pk, 12pk/case
GLP0100-18-LN	Green, Lined, 18mil, 13" Length	7, 8, 9, 10, 11	1 dozen/pk, 12pk/case
GLP0100-22-LN	Green, Lined, 22mil, 15" Length	7, 8, 9, 10, 11	1 dozen/pk, 12pk/case
GLP0100-11	Green, Lined, 11mil, 13" Length	7, 8, 9, 10, 11	1 dozen/pk, 12pk/case
GLP0100-15	Green, Lined, 15mil, 13" Length	7, 8, 9, 10, 11	1 dozen/pk, 12pk/case

## Neoprene on Latex

### Product No. Description

Product No.	Description	Sizes	Qty
GLP0135-LN	Lined, 28mil, Rolled Cuff, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case

## Neoprene

### Product No. Description

Product No.	Description	Sizes	Qty
GLP1000-LN	Lined, 30mil, 13" Length	7, 8, 9, 10	1 dozen/pk, 12pk/case

## Additional Ivanhoe™ Styles Include:

Nylon Glove Liners

Nylon Glove Liners, 1/2 Finger

40 Denier Nylon Gloves

Full Fashion Stretch Nylon Gloves

Leather Palm

Cotton String

Jersey Knit

Unsupported Chemical Resistant

Hot Mill
