**TrueBlue®**  
ULTIMATE EYE PROTECTION

TrueBlue lenses are the only non-prescription sunglass lenses in the world to incorporate both synthesized Melanin and OLP (Ocular Lens Pigment) to filter dangerous blue light and provide ultimate eye protection and vision performance.

**POLARIZED**  
COLLECTION

Experience superior clarity, outstanding glare reduction and exceptional value. The polarizing insert is surrounded by high-impact polymer and formed in a two-step process of injection molding resulting in precision cut one-piece polarized lenses with world class performance and soothing visual comfort. Compliant with EN1836, ANS Z 80.3 and AS/NZS 1067 standards.

We continue to make ordering Sundog Eyewear extremely easy with your choice of 7 Pre-Packs featuring exceptional retail pricing from \$49.99 - \$69.99. This overview shows all styles available, with a color dot legend representing the specific styles included in each Pre-Pack. Your Sundog Representative can send you custom PDF's of each Pre-Pack and also share details about our popular Tournament Program.
