WS30 DROP STITCHES AND CREATE COLOUR & TEXTURE KNITTING. MASTERCLASS

This class will explore colour combining in dropped stitch cabling

kr475.00

4 Current Stock Level

Description

This class will explore colour combining in dropped stitch cabling. We will be working with three different threads in different colour combinations and at the same time moving the colour to create an ombre effect alongside a textured finish. Di will also look at an unusual construction process using strips of knitting in an innovative way to create a Spiral garment.
