

Thanksgiving Paper Circuits Cards

BROWN DOG *Gadgets*

BrownDogGadgets.com

Thanksgiving Paper Circuits Cards

Each of the cards in this eBook can be made using Maker Tape and 10mm Jumbo LEDs, which can be found in our **Paper Circuits Kit**. Each card includes a ready-to-go full-color version as well as black & white version that can be colored by hand. Print each card as a double sided print and then cut them out with scissors.

Guides for each of these projects (and many more!) can be found at learn.BrownDogGadgets.com

More Projects & Inspiration

Using Maker Tape allows you to build circuits on more surfaces than just paper!

This makes it a great material to design circuits on top of felt or other craft materials, like the LED bracelet below. It works great on cardboard, tabletops, even glass windows. With the same paper circuits techniques, you can build all kinds of projects! The possibilities are endless.

Light-Up Cards (Maker Tape, LEDs, Batteries, and Paper)

Light-Up Heart

Laser Cat

Birthday Candles

Light-Up Tree

Robots and Wearables (Maker Tape, LEDs, Motors, Batteries, Paper, Felt)

Tree Bracelet

Motor Robot Buddy

Motor Robot Vacuum

Monster Bracelet

These are just some of the projects to try next! Check out all of our free project templates and guides available to download at www.BrownDogGadgets.com

Learn, Create, and Inspire—Even on a Budget

Creating a project from scratch can be difficult for the casual builder. Finding the right directions, the right parts, and the right tools—all at the right price—can be a major hurdle.

At Brown Dog Gadgets, we've created kits and projects for creators of all ages and budgets. Follow our step-by-step project directions and learn more with our classroom resources or find individual parts to dream up your own creations. No matter how or what you create, our products can help you learn the basics of electronics, circuitry, and solar energy.

Find additional eBooks, crafting guides, videos, directions, and educational resources at BrownDogGadgets.com. Contact us for educational discounts and free professional development classes.
