Winter Holiday Cards eBook

Paper Circuits Projects

Each of the cards in this eBook can be made using Maker Tape and 10mm Jumbo LEDs, which can be found in our **Paper Circuits Kit**. Each card includes a ready-to-go full-color version as well as black & white version that can be colored by hand. Print each card as a double sided print and then cut them out with scissors.

Guides for each of these projects (and many more!) can be found at learn.BrownDogGadgets.com

Learn, Create, and Inspire—Even on a Budget

Creating a project from scratch can be difficult for the casual builder. Finding the right directions, the right parts, and the right tools—all at the right price—can be a major hurdle.

At Brown Dog Gadgets, we've created kits and projects for creators of all ages and budgets. Follow our step-by-step project directions and learn more with our classroom resources or find individual parts to dream up your own creations. No matter how or what you create, our products can help you learn the basics of electronics, circuitry, and solar energy.

Find additional eBooks, crafting guides, videos, directions, and educational resources at BrownDogGadgets.com. Contact us for educational discounts and free professional development classes.
