

BONALDO

Anemone

Designer: Fabrice Berrux

Anemone is shaped like a tree, consisting of six different branches which open up and out from a robust trunk that lends the figure stability. The Anemone coat stand aims to go beyond mere shape and functionality and focuses on the textured aspect too, in keeping with the painstaking care

that Bonaldo has always reserved for materials and finishes. Anemone is available either in white, dove grey or anthracite grey polyethylene, or totally covered in fabric, the ideal material to place the item in a bedroom, an entrance hall, an office or even a hotel room.
