

BONALDO

Clessidra

Designer: Mauro Lipparini

The gentle silhouette of Clessidra pouf follows a circular development, becoming concave in the central part. Softness and functionality make these poufs ideal for use in the bedroom, as bedside tables, or in the living room, as service tables next to the sofa. The pouf is entirely upholstered in fabric; the top part can be in leather for an added touch of sophistication.

Elegant complement if used as single piece, it is particularly interesting when combined in groups, freely joining together multiple elements in the living area, the bedroom or in areas of hotels or public spaces intended for welcoming.
