# Filly, Filly up, Filly large, Filly large up, Miss Filly, Miss Filly up

Designer: Bartoli Design

Born from the happy encounter between light geometric planes with a slender and linear base, the Filly collection is a testament to a design dedicated to aesthetic perfection and functionality. In the version upholstered entirely in fabric, leather, eco-leather or emery leather, it shows a more understated face; instead, it reveals a more dynamic look in the variant with the original metal legs visible. Filly is proposed in the

following versions, for a functional and aesthetically consistent result: with a higher backrest for increased comfort (Filly up) with a wider and more generous seat (Filly large), with a high backrest and large seat (Filly large up), with armrests (Miss Filly and Miss Filly up) or in the stool version (Filly too and Filly up too). In this way, it is possible choose the model that best suits individual needs without giving up the unmistakable style of Filly.
