

BONALDO

Itala, Itala si, Itala W, Miss Itala

Itala is a chair with an elegant design, with padding accentuated in the seat and a backrest that tapers slightly at the top, making the image of the product lighter, giving it impetus. The upholstery is available in fabric, leather or eco-leather; for the lower part of the chair, it is completely upholstered or there are four legs in metal (Itala), in wood (Itala W) or a sled-shaped base in metal (Itala si). Also a version with armrests is

available (Miss Itala). The simplicity of the sign and the chair's structural cleanliness are accompanied by a wide range of personalisation possibilities, allowing one to play with the materials, looking for different combinations and always ensuring a high aesthetic yield. This elegant dining chair perfectly integrates with classic or modern spaces.
