

BONALDO

Saddle armchair

Designer: Giuseppe Viganò

The armchair is characterised by sartorial elegance as well as by the attention to detail that emerges, especially in the particular contrast between the upholstery and the insert in leather within the armrests. Saddle, which evokes the form of a saddle, has a graceful silhouette,

rendered soft by the padding and made contemporary thanks to the inclined feet in metal that lighten its shape. The welcoming backrest has a sleek line: pure relaxation in a modern key. The upholstery, in fabric or leather, is completely removable.
