Mounting	Ceiling and Wall
Lamp (Bulb) Description	LED 15W 962lm 2700K CRI 90
Environment	Indoor - Dry Location
Dimming	Phase-cut Dimming / Triac Type
Finish	Champagne
Technical and Product Description	Coordinates, is a lighting system consisting of horizontal and vertical strip lights that form illuminated grid-like structures of various complexities. The system can be easily adapted for different environments of varying scale. In addition to the customized solutions there are a collection of standard chandeliers of pared-down configurations that can be used in any setting. This design evolved from a commission for the feature lighting of the main dining area of the historic Four Seasons restaurant in New York City. The restaurant relocated and opened in 2018 with the interiors designed by S Eo Paolo-based architect Isay Weinfeld.

Electrical

Voltage	120
IP Rating	IP20

Physical

Construction Material	Extruded aluminium, platinum silicone extruded opal
Weight	1.76 lbs

 FU181044 Champagne
