The Patch Up

Reverse Applique

To begin cut out 4 squares of fabric in different colours or prints. Pin these layers together.

Draw your design on top as a guide. You can also draw your design on paper cut out the pieces and pin them onto the fabric.

Use a bright colour embroidery thread to do a running stitch around your design.

Once you have stitched your design you will be ready to cut into the fabric. Use small scissors and cut away the first layer of fabric to reveal the second layer.

Cut through more layers as you wish to reveal the multiple colours & fabric as you go deeper through the layers.
