Auto Tone Resets All

Before

After

Choclateen

A chocolately black and white that also adds a bit of clarity

Before

After

Creme De La Creme

A soft, vibrant, colorful effect for your images

Before

After

Old Developer

A great cross process preset with purplish-blue tones.

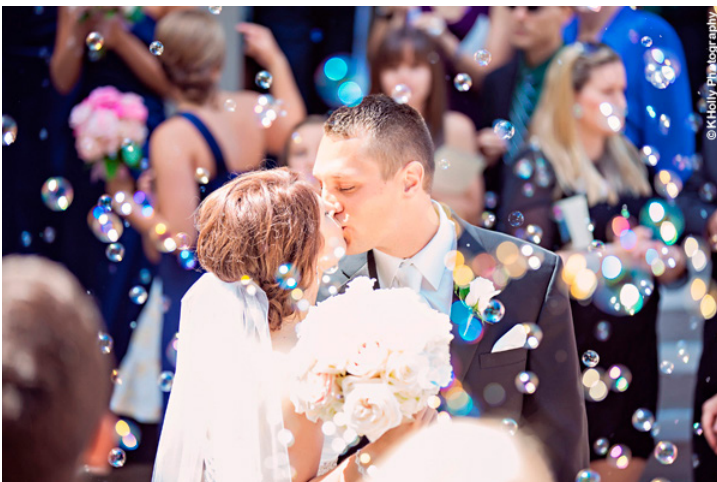

Before

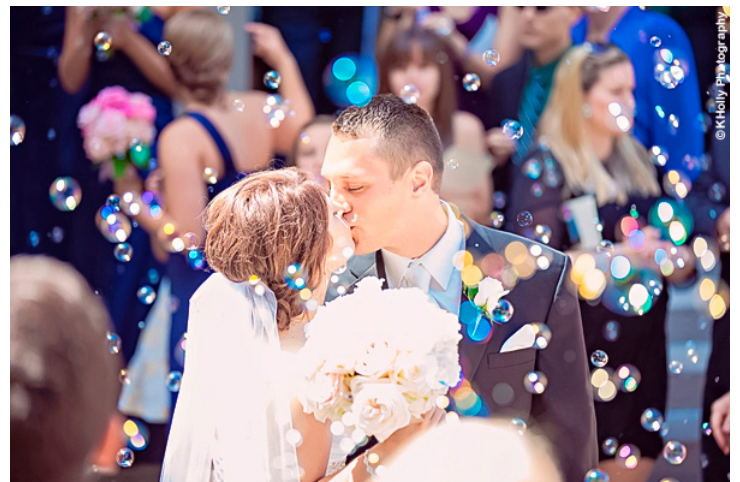

After

Pop Rocks

Lightens and adds a slight bump in the tone curve.

Before

After

Pre Dawn

If you love Twilight, you will love this effect. Dark, moody, blue tones.

Before

After

Retro Luscious

Retro look that lowers saturation and adds a golden warm touch to the shadows.

Before

After

The Blacksmith

A contrasty black and white with some added clarity.
