ABOUT TAYLOR TAYLOR LONDON

From East London to the Indian Ocean Taylor Taylor London is ranked alongside the best hair salons in the world.

Established in 2003 with a vision to create a new style of hairdressing we changed the face of hair salons from rather clinical, functional places to award winning interior designed havens, complete with longer appointment times, world class stylists, a free cocktail bar and a truly welcoming atmosphere.

Our international stylists and colour technicians are some of the top creative talents in the world and have been hand selected for their mix of individual style and exceptional ability. Splitting their time between editorial, commercial and catwalk assignments our specialists bring their creativity, passion and talent back into the salon where we hope to inspire, educate and welcome each guest as an old friend.

For a truly unique global service a select group of these stylists also form part of Taylor Taylor Worldwide. Whether you are preparing for a wedding party in the Maldives or a premiere in Cannes we can call on our teams based in America, Europe and Asia to deliver our famous hairdressing services wherever you might be in the world

Open the doors to one of our salons and you might just recognise the interiors from lifestyle shoots or even the odd movie, with every London salon boasting a signature cocktail bar, oversized murals and decadent washrooms. Each interior has its own personal style but all are inspired by the Baroque extravagances of the French courts blended with the formality of 18th century England and then scattered with our own one-off vintage finds and period pieces.

Our original salons are located in Shoreditch to the East and Portobello Road to the West while our latest boutique is housed within the landmark Liberty London store on Regent Street. Travel further afield to the ultimate beachside location in the Maldives and find us in the spa at the iconic One & Only Resort, Reethi Rah which is widely recognised as one of the top 20 hotels in the world.

Relaxed yet always glamorous it should feel as though you have found your very own members club.

HAIR STRAIGHTENING AND SMOOTHING

YUKO HAIR STRAIGHTENING SYSTEM

Created in Japan in 1996 by Yuko Yamashita the YUKO hair straightening system penetrates deep into the cortex to create a long lasting, straight, smooth and sleek result for nearly all hair types.

Originally designed to help make typically coarse and thick Japanese hair easier to manage this is the original thermal straightening treatment. The patented YUKO formula utilizes collagen, keratin and silk proteins which penetrate the hair shaft to leave the hair unbelievably soft, manageable and easy to manage.

One of just a handful of London hair salons that are trained in the specialist YUKO system we insist on a full complimentary consultation before we begin any treatments. During this session we will assess your hair and discuss your exact treatment based on hair type, length and thickness.

Expect to be in our chair for at least 4 to 5 hours but after that the YUKO treatment means that you can genuinely just "blast and go" and achieve silky, straight hair for between 5 and 8 months.

Short - Med Hair	From £345
Med - Long Hair	From £425
Long - Extra Long Hair	From £495
Fringe	From £60

BRAZILIAN BLOWOUT® SMOOTHING TREATMENT

Straight from the shores of America, the Brazilian Blowout® is the original smoothing treatment and is the preferred choice of celebrities such as Jennifer Aniston and Nicole Ritchie. The Brazilian Blowout is the most innovative and effective professional smoothing treatment in the world.

Voted "Professional Choice Winner" for the last three years, this amazing treatment will improve the condition of your hair by creating a protective protein layer around the hair shaft to eliminate frizz and smooth the cuticle. With no down time, the Brazilian Blowout® gives you the ability to have "wash and wear" hair for up to three months. The final effect produces shiny, glossy hair whilst still maintaining body and wave. We call it the permanent blowdry.

	Short Length (up to 10in)	Med Length (up to 15in/38cm)	Long Length (up to 20 in/50cm)	Extra Long Length (over 20 in/50cm)
Fine to Med Hair	£195	£250	£295	£350
Med to Thick Hair	£210	£265	£310	£385
Fringe only	£60			

• Due to the technical nature of both our Straightening and Smoothing Treatments we insist on an initial complimentary consultation to prescribe your individual treatment and calculate the final pricing. A 50% deposit will be taken before confirmation of your full appointment.
