Mississippi Association of Partners in Education

Governor's Award for Outstanding School-Community Partnerships

Award Application Guidelines

“Every community behind every child.” The evidence is clear. School success is a shared responsibility. Supportive, interactive, collaborative, accountable alliances between school and home and school and community are fundamentally essential to student achievement. School partners do make a difference.

Mississippi Association of Partners in Education has been the state's leading community resource for school and community partnerships since 1984. In 2001, the Governor's Office joined with MAPE to celebrate schools and communities that are working together to improve the quality of life in cities and towns throughout Mississippi. Tell us about your partnership success story!

Selection: The selection committee comprises representatives from business, industry and education. Governor's Office representatives also are invited to participate.

Due Date: Applications must be uploaded to the online form no later than 5 p.m. on Friday, Jan. 14, 2022. Applications will not be accepted after the deadline. Supporting materials should be uploaded along with the application. **NEW: For the 2022 application, we are asking for a 60 second video that gives a brief overview of your project. If your project is selected as an award winner this video will be used during the awards ceremony.** Please do not email photos, PDFs, graphics or other files — these are considered supporting materials and must be uploaded to the form. Upload your application and supporting materials at www.mapems.com.

Winners will be announced on February 1, 2022. MAPE will contact winners about award orders and event details.

Award Presentation: The 2022 Governor's Awards event will be held on Thursday, March 3. Event details will be posted on www.mapems.org.

Membership: Visit www.mapems.org or contact MAPE at 141 Executive Drive, Suite 1, Madison, MS 39110

NEW: Video Submission With Application

Applicants are asked to submit a 60 to 90 second video that summarizes their award entry, as part of the supporting materials. Be creative! Your video does not necessarily need to include images of actual partnership projects. For example, it could show partners explaining why they wanted to be a part of your project.

Please upload your video by 5 p.m. on Friday, Jan. 14, 2022 as part of your application. If your project is selected as an award winner, your video will be used during the award ceremony.

MAPE has served as a statewide network of educators and community partners since 1984.

MAPE was designated as a 501 (c)(3) non-profit organization in 1994.
