Cloud Cover SPF 35

Mineral Body Sunscreen

Cloud Cover is a mineral body sunscreen that goes the distance. Reach for this lightweight, reef-safe SPF 35 for worry-free protection on every adventure.

We took our best-selling face sunscreen, Daily Dew, and made it perfect for your whole body. Cloud Cover is a broad spectrum, water-resistant sunscreen lotion that blends easily into all skin tones, with nourishing sea kelp and hydrating aloe.

BENEFITS

- + 100% Mineral + Reef-Safe—Non-nano zinc oxide and a reef-safe formula so it's friendly to your skin *and* the earth.
- + Water-Resistant (80 min)—Proven to be water-resistant for 80+ minutes, Cloud Cover will keep up through any adventure
- + No White Cast—Cloud Cover's lightweight, moisturizing texture spreads easily across skin and sinks in effortlessly. No chalky white finish here!
- + Hydrating—Contains a nourishing blend of sea kelp, glycerin, and aloe to help hydrate and soothe sun-drenched skin.
- + Sport-Ready—Untinted and water-resistant, so you can sweat through all your sporty moments with confidence.
- + Naturally Scented—Featuring our signature sunscreen scent with notes of bergamot, petitgrain, grapefruit, and lime. Inspired by our founder's road trip through Portugal, and certified natural (of course).

MSRP \$34

Size 4 oz

This SPF is just as kind to the Earth as it is to your skin, with plant-based, reef-safe ingredients and sustainable, recyclable packaging (PCR plastic tube + SFI-certified paper carton).

Like all Kinfield products, Cloud Cover is Made Safe for People + Planet™ and is proudly vegan, cruelty-free, Leaping Bunny certified, and formulated without parabens, sulfates, phthalates, or synthetic fragrances.

Cloud Cover is also free of phenoxyethanol, a commonly used preservative that has been shown to inhibit reef re-growth.
