Golden Hour Wipes

Mosquito Repellent

Kinfield's beloved Golden Hour mosquito repellent, now in travel-friendly wipe form! We kept the performance of the Golden Hour you know and love, while turning it into a biodegradable wipe for easy application—anywhere, anytime.

Featuring our highly effective blend of Indonesian citronella, lemongrass, vanilla, and clove, in a quick-drying formula that keeps you bite free for hours (with the lab testing to prove it). This is a clean bug repellent that works—naturally.

BENEFITS

- + DEET-Free—Rather than use DEET, Golden Hour is powered by a unique strain of Indonesian citronella that naturally contains high quantities of the key compounds that repel mosquitoes.
- + Quick Dry—Golden Hour Wipes dry quickly after application. No oily residue.
- + Long Lasting—Golden Hour Wipes keep mosquitoes away for hours. When tested by an independent third-party lab, it had an average of 3 hours of protection time against *Aedes Aegypti* mosquitoes (those pesky ones that carry Zika and Yellow Fever).
- + TRAVEL-FRIENDLY—No leaking bottles in your suitcase! Our individually wrapped wipes are easy to throw in a bag or pocket for easy application on the go.
- + EARTH-FRIENDLY—Golden Hour Wipes use a biodegradable non-bleached material for the wipe, and are housed in a recyclable, re-sealable pouch.
- + BELOVED—A sister product to fan-favorite Golden Hour spray repellent—that has everyone from Bon Appétit to Fast Company to your neighbor Mary raving about it.

INGREDIENTS

Active Ingredients: Citronella (10.00%), Lemongrass Oil (1.00%), Clove Oil (0.01%)
Inert Ingredients (88.99%): Isopropyl Alcohol, Lauric Acid, Water, Vanillin

MSRP \$20
12 Wipes

These wipes are just as kind to the Earth (minus mosquitoes!) as they are to your skin, with plant-based ingredients and sustainable, recyclable or compostable packaging (compostable wipe and a recyclable outer pouch).

Like all Kinfield products, Golden Hour Repellent Wipes are Made Safe for People + Planet™ and are proudly vegan, cruelty-free, Leaping Bunny certified, and formulated without parabens, sulfates, phthalates, or synthetic fragrances.

USE IT WHEN

Picnicking, hiking, enjoying a backyard BBQ, taking in the sunset, for your next camping trip, and on any other recreational adventure that you'd prefer to experience mosquito-free. Keep an extra wipe in your trail pack or beach bag for re-application on the go!
