Canopy Rangehood 90cm Black - Self-cleaning - Gesture Control

iSmoke Sensor Makes Sense for Your Fresh Cooking

Feature

- iSmoke Sensor: Backed by a highly-sensitive sensor, Midea Hood can quickly respond to smoke changes and accordingly adapt between 1 and 8 speeds.
- 1800m³/h Strong Suction: Our Turbo function can provide 3-minute maximum suction, perfectly suitable for stir frying, removing the most unpleasant odors, steam and grease.
- 3D Circum Ventilation: The detachable convex condensation plate, leaves large air inlets for 360-degree extraction and better guides smoke flow, optimizing its extraction efficiency.

- Complete Smoke Removal: The duct out type exhausts cooking fumes outside the house thoroughly and keep your kitchen air fresh indeed.
- 110°C Self-cleaning Steam Wash: A perfect solution for hood interior cleaning, maintaining the appliance always with a decent performance and longer serving-you time.
- Intuitive Gesture Control: A convenient alternative to pause or restart your hood, when inconvenient to touch the screen.
- 43dB(A) Low Noise Backed by AI Chip: Equipped with a AI chip, it can keep a superb 43 dB(A) low noise at first level of suction power, ensuring a calm environment for your more focused and enjoyable cooking experience.
- 1.5W Energy-efficient LED Light: LED lights (1.5w) are energy-saving and ensure decent visibility at your stove-top.
- Easily-clean Designs: Tempered Glass Panel, Stainless Steel Body, Oil-visible Oil Cup
