CHICKENS

BALI, INDONESIA

THE GIFT OF

income and nutrition

Chickens are a mighty source of nutrition and income for people in rural Bali. This gift helps people create backyard chicken coops and grow them into viable small businesses.

\$10

\$10

SCHOOL BOOKS

INDIA

THE GIFT OF

a brighter future

Education is the key to breaking the cycle of poverty and giving children hope for the future. By getting learning resources into the hands of children who need them, you can help empower the next generation in India.

"It is indeed a proud moment for us to see these children excel in their life,"
said teacher, Sophia.

\$15

GROW A GARDEN

MALUKU, INDONESIA

THE GIFT OF

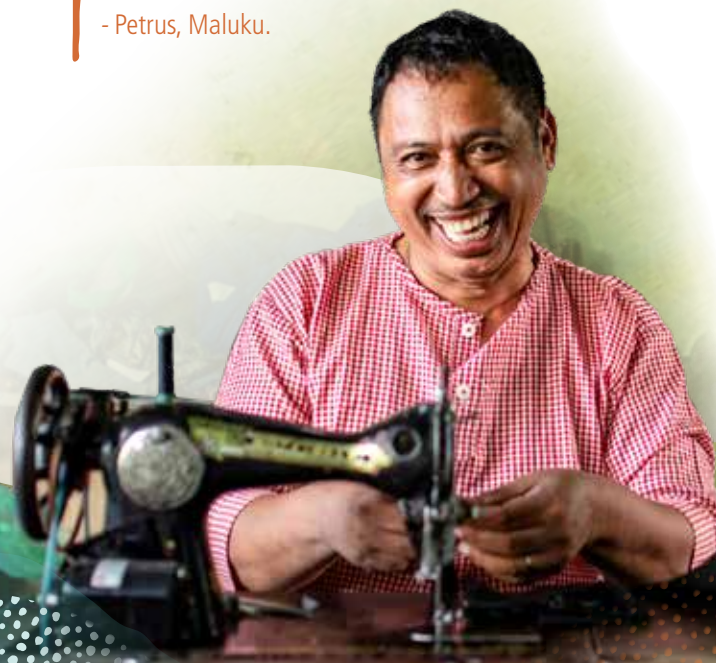

community and nutrition

For Christian and Muslim women, community gardening brings them together, also helping provide nutritious food and a sustainable income.

"The need for kitchen spices and vegetables is greatly helped during this pandemic because we grow our own and even neighbours and villagers come to buy... it is enough for my children's pocket money and once to buy internet quota for my eldest son who has to study online."

"I always wanted to be a tailor, ever since high school... Fortunately, through the partnership with UnitingWorld, my business is finding support so that I can pay the school fees of my children."

- Petrus, Maluku.

\$15

KICKSTART A SMALL BUSINESS

BALI, WEST TIMOR AND MALUKU, INDONESIA

THE GIFT OF

opportunity

This gift helps people to start small businesses through microfinance and education, giving them the tools to free themselves from poverty!

CLEAN WATER

PAPUA NEW GUINEA

THE GIFT OF *health*

Clean water saves lives! This gift helps provide clean water to remote communities in Papua New Guinea, as well as equip community educators teaching people about good sanitation and hygiene practices.

"Because of the handwashing, now my family and kids are much healthier than before, they don't get sick often, unlike before."

\$25

HEALTHY KIDS

TIMOR-LESTE

THE GIFT OF *hope for the future*

Children in Timor-Leste suffer some of the highest rates of malnutrition in the world. With this gift, you can provide them with the nutrition supplements and education they need to help them grow and be healthy.

"The children were easy to get sick and developed low body weight. [UnitingWorld partner] Fusona provided health education for parents and nutritious food for their children, particularly those malnourished and losing body weight. The staff also provided soap to them so they can wash their hands."

\$25

FOOD SECURITY

VANUATU

THE GIFT OF

sustainable nutrition

Food security is a major challenge for families in Vanuatu. This gift helps provide training, resources and tools to support people to roll out climate-resilient gardening and food production in their homes and communities, giving them the independence to survive and thrive.

\$30

\$30

SAFE FAMILIES

THE PACIFIC REGION

NEW

THE GIFT OF

freedom from violence

The rate of violence against women and children in the Pacific is one of the highest in the world. With this gift, you can help prevent violence long before it has the chance to happen by educating men and communities about gender equality.

"I can now respect my wife for who she is, her dignity and also my children and grandchildren. They can tell the story of my transformation in the way I speak and the way I act now."

- Rev Noa Turaganivalu

PIGS

BALI AND MALUKU, INDONESIA

THE GIFT OF

sustainable employment

These bold little piglets can help a family establish a viable small business in a very short time. Along with training in livestock and household budgeting, this gift can help a family live with dignity and hope.

"Owning and breeding the pigs changed our lives. We work hard to look after these animals because they give us so much."

GOATS

BALI, INDONESIA

THE GIFT OF

sustainable income and nutrition

Goats truly do change lives. Not only are they a source of milk and nutrition, they can also be bred and sold to earn a sustainable income. A little goat goes a long way!

For Nengah's family, getting food on the table was often a struggle. But when her mum received goats and training through this project, they never went hungry and could even afford to send Nengah and her brother to school.

"My son now responds to queries, speaks [a] few words and is making efforts to walk, spacing few steps, playing and taking care of himself. This school has now become a centre for change, hope and development for the children affected by disability"

TOILETS

PAPUA NEW GUINEA AND TIMOR-LESTE

THE GIFT OF *health and sanitation*

They're hard to live without! This gift means local partners can install toilets and teach people about good hygiene, making the difference between health and sickness. People like Benedita.

Without a modern toilet, she struggled to keep her children comfortable and healthy but, through this project, received a toilet. Now, her family can live with dignity and the confidence that their health will not be put at risk.

DISABILITY SUPPORT

SRI LANKA

THE GIFT OF

inclusion and opportunity

People with disabilities have so much to contribute but face significant barriers. This gift helps provide inclusive education and job opportunities to help people reach their potential and live with dignity.

Through this project, Sahasra* could send her son to a school with teachers trained in disability inclusion.

*Name changed for confidentiality.

\$250

SEND A GIRL TO SCHOOL INDIA

THE GIFT OF

a brighter future

With the right support, girls can go on to have higher incomes, healthier families and become leaders in their communities. This powerful gift helps provide them with education, shelter, food, clean water and a supportive environment to set them up for life!

Thanks to this project, 13-year-old Sunita* could access high quality education that would otherwise be out of reach.

"Due to COVID-19 there were many problems in Sunita's home. Her father's work had stopped, her parents fought and her health suffered. In our hostel, we take care of every single child and are providing every facility for their growth and development. Sunita is now improving more and more in every field and she is growing in confidence."

*Name changed for confidentiality.

\$500

DISASTER PREPAREDNESS

FIJI, VANUATU, SOLOMON ISLANDS AND PAPUA NEW GUINEA

THE GIFT OF *saving lives*

Preparing people to protect themselves against disaster has never been more critical. This gift helps people to understand the nature of disaster, shifting climate realities and how to prepare themselves for the worst.

\$1,000
