U.POS 700

- **Scan angle : Yaw 360°, Rotation 60°, pitch 60°**
- **Depth of scan field : 35-190 MM (13 MIL, EAN 13, PCS 90%)**
- **Bit Error Rate : 1/005 million**
- **Interface : USB - HID, RS 232, USB - COM**
- **Material : ABS + PC**
- **Cable Length : 2M**
- **Operating Temperature : -20 °C + 60 °C**
- **Dropshock Resistance : withstands multiple times 3 meters drops to concrete.**
- **Voltage: Dc5v + 5%**
- **Current : 120 MA**
