

## 100 cm 6-burner electric double oven

Master Series

### **MAS106L2EXC**

The double-oven range cooker gives great versatility and style to your kitchen.

The main oven electric oven has 11 functions, from convection, baking and grilling to warming and features a thermometer on control panel. The useful auxiliary oven has four modes. Triple-glass doors minimise heat loss.

The hob has six versatile gas burners including a dual-ring power burner giving anything from a delicate low simmer to full power.

Matching range hood and backsplash available.

The hob has six versatile gas burners including a dual-ring power burner giving anything from a delicate low simmer to full power.

# Specifications

## Features

### Worktop

Size	100 cm
