# Sassafras Lane Designs Trunk Show Information

www.sassafras-lane.com ♦ contact@sassafras-lane.com

Hi! Thank you for your interest in displaying our quilts in your shop. Below are the guidelines for a trunk show of Sassafras Lane Designs quilts.

## Pattern Requirements

You will be asked to purchase 12 patterns and 6 hardware kits (only when applicable) for each item sent to you. The invoice for the 12 purchased patterns (and hardware kits) will be emailed and must be paid prior to quilt shipment. Payment will be made through emailed invoice. After the first 12, you may purchase additional patterns and hardware kits on a Net30 basis for the trunk show.

## Receiving Your Trunk Show

Please allow a full week for your Trunk Show to arrive; therefore, your Trunk Show will be shipped 7 days before the scheduled beginning date. You will not be charged shipping to receive your Trunk Show. The quilts may visit your shop for a full month before their return date (unless otherwise agreed upon). All samples will have a Sassafras Lane Designs label attached. Hanging sleeves will not be provided. If you would like a hanging sleeve, you may carefully pin one to the backside of the quilt.

## Returning Your Trunk Show

You will be required to ship promptly on the scheduled ending date. Please ship the samples in the same manner that they arrived, double bagged in the plastic bags. You will be required to pay return shipping. Ship by USPS and insure for the amount shown on your trunk show contract. Please email us the tracking number when they are being shipped.

Please ship quilts to Sassafras Lane Designs, 8437 NE 123rd Place, Kirkland, WA 98034.
