

SASSAFRAS LANE DESIGNS WORKSHOP IDEAS

Have another idea for a workshop? Let us know! We'd love to put something special together for you!

CRITTER CLASS

Pick your favorite critter from our Zootropolis books and come ready to learn some great fusible appliqué tips and tricks. Learn how to pivot around corners, stop and start stitches and navigate around curves. This is the perfect class to get your customers appliquéing like pros!

ARCADIA AVENUE

Learn some great time saving tips and how to become an efficient and confident paper piecer! The Arcadia Avenue is one of our most popular patterns and beginners can make this quilt! The pieced hexagons offer a fun chance to play with color and hone your paper-piecing skills.

BAG MAKING CLASS

Pick a bag for the class to tackle. Learn everything from choosing interfacings, installing hardware, squashing zipper fear, top-stitching and more! Bag construction can be something new and scary for quilters, but we will show them how to tackle them one step at a time.

QUICK CORK CLASS

Teach your customers to fall in love with cork while sewing a quick fun wallet. Both our Quick Corky Wallet and Quick Snappy Wallet patterns are fun introductions to sewing with another material. (Snap and zipper installation are also taught with Quick Snappy Wallet.)
