Lovinflame, Inc.

Always read, understand, and follow all warnings and instructions in this manual. Keep for future reference.

Updated 7/2019 Printed in Taiwan

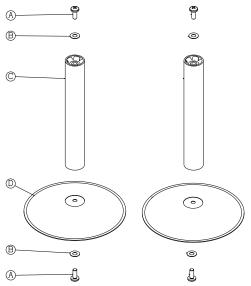

## **Assembly Instructions**

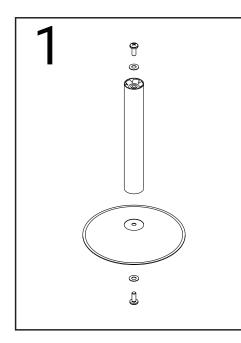

- 1. Use the screw (A) and washer (B) provided to fasten the candle stand (C) and the metal base (D) together.
- 2. Repeat the process for the other candle stand. Assembly is now complete.

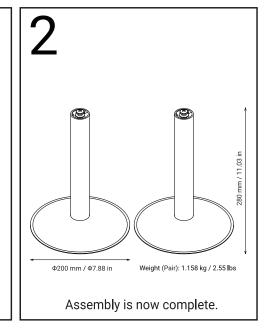

Note: When the candle stand is not in use, fasten the screw accordingly so as to not to easily lose it.

## **Parts List**

- A. M8 Screw
- B. Washer
- C. Leg
- D. Base

## For Use With The PASSION Glass Candle Classic (CSG20300) Deluxe (CSG30300)

- 1. Unscrew the screw and washer off the stand.
- 2. Fasten the base of the Passion candle with the stand.
- 3. Assemble the fuel container, stainless steel wick, and glass cover together as instructed in the manual for the Passion candle.
- 4. Repeat the process for the second candle stand.
