

To install a Double Oven OR Oven/Microwave Combo using Cabinets to Go Wall Oven Cabinet...

This is the stock option for our oven cabinet. To make it fit a double oven, OR Oven/Microwave combo...

Remove top 2 drawers, move shelf down, trim face frame as needed to fit the size of your appliances...

This photo shows the look of the ovens installed in the same kitchen

This photo is taken at a better angle to show what the ovens look like with the bottom drawer in place
