

CABINETS TO GO LIMITED LIFETIME WARRANTY.

Cabinets To Go is proud of our products and their quality and workmanship.

As with other natural materials, wood is affected by environmental factors such as natural and artificial lighting, moisture and relative humidity. Darkening or mellowing of the wood can be expected and is a natural part of wood as it ages. Each wood specie also exhibits its own distinctive patterns and characteristics that add to its natural beauty. These variations in color and characteristics are not considered imperfections or defects. This warranty does not cover the natural aging and darkening of wood color, nor does it apply to the inherent growth characteristics of wood. Please review and abide by all storage and installation instructions.
