## One-Year Limited Warranty - English

Your Soleus watch is warranted to be free of defects in materials or workmanship, under normal use, for a period of one year from the date of purchase. Warranty coverage is valid only with proof of purchase from an authorized Soleus dealer. This warranty does not apply to the battery, watch band or crystal, and excludes cosmetic issues or damage resulting from normal wear, accidents, improper care, modification, unauthorized repairs, or other causes which are not defects in materials and workmanship. If your watch has a covered defect, repair or replacement of any part deemed necessary under this warranty shall be at the sole discretion of Soleus or its authorized agent. We reserve the right to refuse either repair or replacement (but not both) if the cost of doing so would be disproportionate to the defect. This limited warranty is in place of all other express and implied warranties of any kind, which are hereby excluded. In no event shall Soleus be liable for direct, indirect, incidental or consequential damages arising out of the use of the watch, and any recovery is limited to the purchase price. No other person or company is authorized to change this limited warranty, and your dealer is solely responsible for any other warranties.

Some states do not allow limitations on how long an implied warranty lasts, or exclusions of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. The foregoing is without prejudice to other legal rights that may arise under applicable national legislation.

For more information about this warranty or repairs for your Soleus watch, please visit our website at: [www.soleusrunning.com](http://www.soleusrunning.com)

In accordance with the European Union Directive 2002 / 96 / EC on Waste Electrical and Electronic Equipment ( WEEE ), please forward all electronic equipment no longer used to your local recycling service provider. Do not dispose of it together with other household waste.
