CARGO TECH®
CARGO CONTAINMENT SYSTEM

No Tools Required

KEEP CLEAN

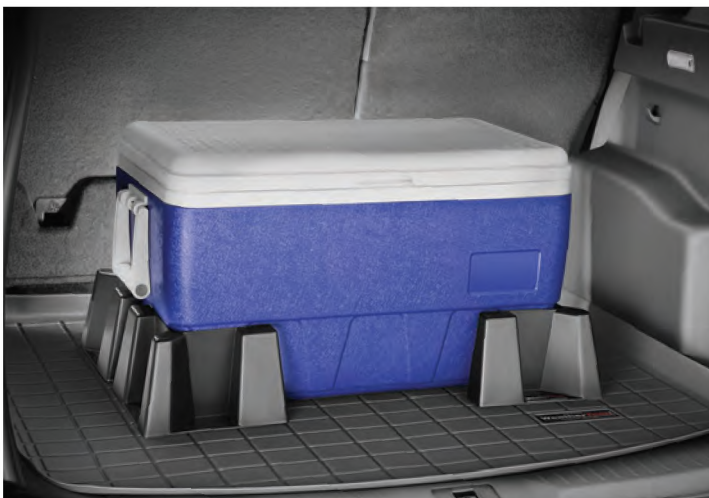

Contents: 4 Pieces

As the CargoTech® system has a super-grippy underside, it works most effectively when the bottoms are clean and it is used on a clean surface, free of any debris.

HOW TO USE

Place the CargoTech® corners around your cargo as shown in the example below:

IMPORTANT

The CargoTech® Cargo Containment System is not a safety restraint and may not be suitable for all objects. Please use common sense when loading large, heavy items or liquid containers; check your cargo regularly as shifting may take place in-transit.
