Include the instructions for homework in the workshop description so it may be added on the web site.

*What you need the festival to provide for the workshop: _____

All information is needed for each workshop you wish to teach.

We like instructors to be able to teach at least two full days of workshops.

All instructors need to send in a **current Biography with a photo** that is a separate attachment to be displayed on the web site.

First time instructor? We need at least two References

If you require the office to make copies of handouts or anything else for your workshop please get them to us no later than the end of **May.**
