Rules:

All out of State Animals **MUST** be accompanied by an Official Interstate Certificate of Veterinary Inspection for Livestock performed by a licensed veterinarian within 30 days of August 17, 2018.

All out of state animals **MUST** have a working microchip.

A negative tuberculosis test will be required for counties designated as having tuberculosis present.

Bio Security at shows starts with responsible exhibitors bringing healthy animals to a show. If your llama or alpaca is sick with a nasal discharge, diarrhea and/or fever; **PLEASE** do not bring it to the show.

Animals will not be allowed in food concession areas, in vendor booth area or walk close to the outside vendor booths.

You **MUST** supply your own extension cords and fans.

Owners are required to keep extra feed and bedding in their trailers except when feeding or cleaning a pen. There will be a designated area for storage of cleaning scoops and pails.

You **MUST** supply your own bedding. Pens have a cement floor, therefore it is suggested that plastic mats be placed in the pens over horse bedding pellets.

NO sand or dirt bedding will be permitted.

All pens are to be kept clean and free of animal droppings.

All walkways are to be kept clean at all times.

Unruly animals will be excused from the exhibit immediately.

Dogs will not be permitted in the camelid pen area.
