

# MEASURING YOUR BRACELET SIZE

## STEP 1

Scale this pdf to 100% and print it on A4 size paper (297x210mm)

## STEP 2

Place a (credit) card on the line above and proceed to step 3 if it matches the length.

**If not**, check your printer settings at step 1.

## STEP 3

- Make a small split at the scissors icon
- Wrap it around your wrist like a bracelet, ensuring a comfortable loose fit.
- Mark the junction and choose S, M, L, XL or XXL accordingly.

## OUR ADVICE

- 1) Ensure a **comfortable fit** when measuring.
- 2) Remember, the sizes on the ruler are the exact lengths of our bracelets.
- 3) **TIP: Don't wrap the paper too tight.**
