# REGISTRY CHECKLIST

# CONGRATULATIONS

ON BEGINNING YOUR NEW LIFE TOGETHER.

We at Waiting On Martha Home are honored to be partnering with you during such a joyous time and look forward to working with you to create the registry of your dreams.

While we know how exciting registering is, we also understand how overwhelming it can seem. That's why our registry experts have created a list of everything you'll want to consider including a gift registry calculator and suggested numbers on how much you'll actually need of each item. Please note, these are simply suggestions. We hope to work with you one-on-one to craft a truly unique and customized registry based on your actual everyday life.

Don't forget as the big day approaches to keep updating your registry with additional items including seasonal favorites and our constantly rotating selection of new arrivals.

Lastly, please don't hesitate to reach out if we can help in any way. We view our Waiting On Martha customers as one big extended family and look forward to toasting to you and your big day!

Cheers, Mandy & the Waiting On Martha Team
