

Bioelements Most Popular Treatments Plan

Package Cost: \$ 1,625.50
\$569 total value in FREE support
 (\$121.50 in FREE Pro-Use-Only formulas + \$447.50 in FREE Retail + Merchandising Support)

This plan checks all the boxes, from tried-and-true services to trending treatments. You can target tweens and male clientele and offer a selection of express treatments and enhancements that personalize your client’s experience while boosting revenue. Flexibility is an esthetician’s secret weapon; our exclusive Custom Blending System offers unlimited personalization, every service offers unique experience factors, and our Custom Blend Facial can be performed with the following modalities: Microdermabrasion, LED, Microcurrent, Dermaplaning, and High Frequency. Plus, each facial protocol includes Activity Tiers in increasing Signature, Advanced, and Max levels – designed so every client sees optimum results. With one single protocol, you’ll be able to promote and perform three different services.

Let’s talk retail. This plan comes with our 3-Step Mini Starter Sets to introduce your clients to the daily essentials and select Bioelements Age Activist hero formulas; Sleepwear, vc10 Daily Glow, vc10 Nightly Bright, Hydroplunge, Time Sensitive, and Skin Editor. We’ve also tossed in some samples of other popular retail formulas for you to try before you buy.
