

# Advanced Corrective Treatment Plan

Package Cost: ..... \$ 2,623.00

**\$876.75 total value in FREE support**

(\$86.50 in FREE Pro-Use-Only formulas + \$790.25 in FREE Retail + Merchandising Support)

This plan lets you build a comprehensive spa menu focusing on time-tested corrective 30 + 60-minute facials for all ages, clinical peels and enzymes, trending treatments, and add-on services for the neck, arms, hands, and feet to increase profits. Deliver the personalization your clients expect when you Custom Blend every treatment and take-home formula. Showcase your esthetic expertise when you deliver high-tech/high-touch moments when you perform our suggested Signature Techniques and incorporate modalities like Microdermabrasion and Dermaplaning into our Custom Blend Facial. Be an age advocate and help your clients unveil the skin they want under the skin they see with our powerful, non-surgical acid-hybrid peels and enzymes. Our protocols are designed with Activity Tiers (Signature, Advanced, and Max), allowing you to increase corrective activity once the skin is well-tolerated and ready.

Let's talk retail. This plan comes with our 3-Step Starter Sets for every skin type to introduce your clients to the daily essentials and 11 Bioelements retail formulas to get your clients hooked on Bioelements. We've also given you samples of 9 additional retail formulas for you to try before you buy.
