

# Bioelements Cosmetologist Plan

Package Cost: . . . . . \$ 418.50  
**\$40 value of FREE Merchandising Support**

This specialized plan is designed for the cosmetologist to increase service profits with your waxing, lash, or hair service clients. It comes with back bar essentials and professional-use-only formulas to perform a clinical facial treatment to hydrate, smooth, and completely revive skin while you're performing a wax service. This package also comes with formulas to add our Faster Eye Smoother to your menu. An incredible service to brighten dark circles and de-puff. Both are easy to learn, easy to perform yet results-oriented.

This plan does not come with Bioelements retail formulas.
