CODA SERIES

Built-to-order using only the finest materials available, the Spector® USA Coda™ basses represent a re-envisioning of the classic electric basses of the 1970's.

These basses offer the traditional styling and a familiar design platform, but feature the world-renown build-quality and attention to detail that has made Stuart Spector one of the most respected master luthiers working today.

SPCODA5***	SPECTOR CODA 5	\$ 6,799.99

FORTE SERIES

Introduced in 2010, the Forte™ models represent our desire to "strip-down" the USA Series™ basses in a way to provide a significant price-break while preserving the essence of what makes our Neck-Thru USA models so special.

Each Forte™ model is made from the same platform as its more expensive sibling. We'd say that we've made them deliberately less beautiful!

Forte 4		
		<ul style="list-style-type: none"> • Original Spector NS Curved Body Shape • Solid AAAA Flame Maple wings • Graphite Reinforced 3pc Neck-Thru Rock Maple Neck • 24 Fret Pau Ferro Fingerboard • Transparent Black Stain • Matte Polyurethane finish • Black hardware • Spector® USA Solid Brass Locking Bridge™ • EMG-P & EMG-J Pickups with Aguilar OBP2 on 4 string models • EMG-35DC Neck & Bridge Pickups with Aguilar OBP2 on 5 string models • EMG-40DC with Aguilar OBP2 on 6 string models • Aguilar Super Singles on SS model • Helium® reclaimed NYC water tank redwood - no charge
