GENIUS

Expand your options with the design, function and performance of carpet tile, on a broadloom budget. Inspired by minimalism and the elegance of simplicity, **Design Smart Collection** combines essential texture and color with innovative StrataWorx tile backing to open up new carpet tile opportunities. Simple and straight-forward, it's everything you need. And nothing you don't.

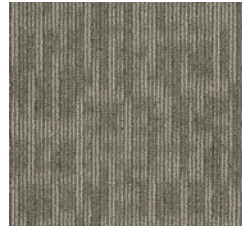

Dynamo is a mixture of semi-solid soft tones integrated into a patterned texture of simplicity. **Genius** translates the spark of brilliance that results from thoughtful arrangement, revealing a midscale interlocking grid of contrasting yarns. **Intellect** combines a textured pinstripe with a savvy mix of yarns to produce a surprise hint of colored striation.
