

Mulmul is a fine, soft **cotton** from India. It is sheer, delicate and lightweight and often referred to as the wonder gossamer or woven wind.

Historically, it was a fabric once exclusive to Indian royalty, which today has gained popularity all over the world.

- 1) **Minimum order quantity:** 10 pieces per style for stoles and 25 meters for yardages.
- 2) **Lead time for minimum order quantity:** 30 days.
- 3) **Purchase from inventory:** Minimum order quantity does not apply when you buy from inventory.
- 4) **Sampling:** 6 meters each will be minimum warp length for sampling and it will cost Rs. 2000 additional for sampling plus cost price of six meters. Calculation of sampling cost will change if customized colors will be used in sampling; it will be sampling charges + actual cost of dyeing for sampling + cost price.
- 5) **Payment term:** 50% advance at the time of placing order & 50% after 7 days of delivering the order.
- 6) **Delivery of order:** It will be made in 5-7 working days.
- 7) **Make yourself aware when you buy handloom:** The handloom weaving is a process which passes to 7 to 10 different hands. The process in handloom make each product unique with irregularities from each other. Before placing an order, please remember that there will be 10-15% variation/irregularity/variation in lot to lot and piece to piece in terms of color shade, weight, size, feel, drape etc. However we are determined and have professional team and system in place to make sure to achieve your expectation.
