Whoever thought grilled cheese sandwiches were just for kids obviously never had this one! Layered with strips of crispy bacon, rich havarti cheese and sweet Georgia peaches, this grilled cheese is created especially for the adults. For an extra-crunchy crust on the sandwiches, we like to use Duke’s Mayonnaise instead of butter. Makes 4.

Peach Grilled Cheese with Bacon

Assemble your sandwiches with a couple slices of cheese, 2-3 strips of bacon and sliced peaches. Spread a thin layer of mayonnaise or butter on the outside of the sandwich and griddle in a skillet over medium heat on each side until browned. Serve immediately.

Ingredients

8 slices of crusty bread
8 slices of havarti cheese
8-12 crisp slices of bacon
4 fresh peaches, pitted and sliced
Mayonnaise or Room temperature butter
