LT-A2.H2 Electric Cargo Car

The A2.H2 is a short wheel base cargo carrier featuring a light yet robust aluminium cargo bed measuring L-1365mm x W-1086mm x H-265mm. Boasting an hydraulic lift and drop down tailgate the cargo bed has a load capacity of 360kg. The cargo bed does not extend beyond the width of the vehicle enhancing manouverability in tight spaces. An ideal general purpose maintenance vehicle on-course, in parks & gardens, theme parks, wineries, industrial estates and sporting complexes.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

2 YEARS on batteries
