LT-A2.H8

**This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

Introducing the LT-A2.H8 - 2 Seat Utility Cart

The AH8 is a long wheel base cargo carrier featuring a robust aluminium cargo bed measuring L-1800mm x W-1086mm x H-265mm. Boasting an hydraulic lift and drop down tailgate the cargo bed has a payload capacity of 450kg. The cargo bed does not extend beyond the width of the vehicle enhancing maneuverability in tight spaces. An ideal general purpose workhorse on-course, in parks & gardens, theme parks, wineries, industrial estates and sporting complexes.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

2 YEARS on batteries
