Controller™

# LT-A4+2

## 6 Seat Golf Cart Community Vehicle

The A4+2 is used extensively as a general purpose people mover in gated communities, caravan parks & lifestyle resorts, theme parks, retirement villages, hotels, airports and industrial complexes. Accommodating 6 adults in comfort, the A4+2 provides efficient, reliable and durable transport and may be equipped with a variety of options including custom all weather clears for protection from the elements and a folding rear seat that converts to a luggage deck.

*\*This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

## Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

**2 YEARS** on electrical and mechanical components

**2 YEARS** on batteries

## Choice of Six Standard Colours
