LT – A627.6

6 Seat Deluxe Transport Vehicle

The A627.6 is used extensively as a general purpose people mover in gated communities, caravan parks & lifestyle resorts, theme parks, retirement villages, hotels, airports and industrial complexes. Accommodating 6 adults in comfort, the A627.6 provides efficient, reliable and durable transport and is equipped with 6 forward facing seats - perfect for transporting personnel. A variety of optional extras are available including custom all-weather enclosures for protection from the elements. The powerful AC MOTOR matched to the new ADVANCED TOYOTA controller allows adjustable speeds of up to 20 Kph.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components
